# Anh Nguyen

Software Engineer Student  - Web Developer

Minneapolis, MN

(612) 203-8821

a.nguyen0208@gmail.com

anguyen.page

A logical and creative thinker who enjoys learning new languages, frameworks, and technologies in general, excited to be part of the future of the technology industry. The satisfaction of solving problems is what drives me to be a better programmer. A design background combined with the creative mind can be utilized for aligning pixel-perfect performant experiences goals when programming.

## EXPERIENCE
